Neither the Act or Rules require particular parcels of land to be entered in the Alphabetical Index. For the convenience of searchers, however, short descriptions of particular parcels are entered in the Index where practicable. This is not practicable in all cases. A certificate of the result of an official search may, consequently, contain (in addition to entries affecting the parcel of land specified in the application therefor) entries in the Index where no particular parcel of land is given therein. Such entries may or may not affect the land in which the searcher is interested. Having obtained notice of them, a purchaser is, however, in a position to call on his vendor to satisfy him that they do not affect the land he is purchasing, or have them dealt with as provided by S. 43 of the Law of Property Act, 1925. It is also open to him to apply on Form LC14 for an office copy of the entry in the register.</li> <li>2. Certificates of official search are normally posted on the day of the receipt of the application therefor if received before 10 a.m. Under Rule 1 (8) of the Land Charges Rules, 1926, the certificate extends to registrations effected during the day of the date of the certificate, and may be issued <u>only</u> after the Office is closed for registrations on that date (i.e. 3 p.m. or 1 p.m. on Saturdays).</li> <li>3. To ensure issue of a certificate on the day of receipt of an application therefor received after 10 a.m. and before 4 p.m. (or 1 p.m. on Saturdays) special application for expedition must be made and an additional fee of 2s. 6d. paid.</li> <li>4. Application may be made for the result of a search to be telephoned or telegraphed <b>after 3 p.m. on the day of search</b> subject to confirmation in writing of any telephone message given by the Registry. The fee for telephoning or telegraphing the result is 1s. 6d. per message in addition to the fee on the search.</li> <li>5. S. 4(2) of the Law of Property (Amendment) Act, 1926, provides that where a purchaser has obtained an official certificate of the result of search, any entry which is made in the register after the date of the certificate and before the completion of the purchase, and is not made pursuant to a priority notice entered on the register before the certificate is issued, shall not, if the purchase is completed before the expiration of the second day after the date of the certificate, affect the purchaser.</li> <li>6. If the name of the parish, place, district or other description has changed, former descriptions <b>must</b> be given. The certificate of official search refers only to the description (if any) supplied at the date of registration. Changes of description, subsequent to the date of registration do not appear in the Index or Registers. The registers are name registers not land registers.</li> </ol> |
